Hole	Par	Yards	Legend
1	4	410	A natural dog left par 4 out of a stout of trees to a fair landing green. The green is undulating and challenging which makes a great starting hole.
2	4	315	Another natural hole where the tee is in the prairie and the green is surrounded by 100-year-old oak trees. The Green is a fair challenge.
3	3	160	The signature hole, one of the best par 3 holes in all of Northwest Arkansas. The shot is over a creek to a green on a hill in the woods...a real challenge.
4	4	385	This hole is one of the tightest par 4's Lindsey has ever designed. Striving to save trees on this hole, it became very tight. Be straight and everything will be fine.
5	3	130	A neat, short par 3 in the woods. The green is very tricky, but fair.
6	4	305	A driveable par 4, the fairway encourages the ball to run straight to the magnificent green.
7	4	310	Another great par 4 surrounded by sand with an undulating green. The tee shot is over water to a generous fairway. The green is on the small side, so be careful.
8	5	525	A wide open par 5 with a large landing area. The green is reachable in 2 shots but slopes in every direction.
9	4	360	Straight away, the green runs away from the golfer. Another slopping challenge, but a great finishing hole!
